ZHYTOMYR STATE TECHNOLOGICAL UNIVERSITY

ZSTU is a prestigious state university with modern teaching methods, traditions and qualified level of training of future specialists and high level of teaching of disciplines.

ZSTU has everything necessary for students' professional education and their personal growth: modern laboratories, computer classes, cozy hostels, a library and reading halls, sports centre, students' centre for extracurricular work and leisure, a recreation center. There are 11 sports facilities on the territory of university campus, including a stadium with artificial surface and a tennis court. The University has a sports camp, located outside the city. In ZSTU there is a medical center, a snack bar and a dining room.

ZSTU is constantly involved in the preparation and implementation of international projects in such areas like: students and teachers exchange, the improvement of existent and development of new courses, the development and improvement of the structure of universities, scientific cooperation and others (for instance: Tempus, Erasmus+, Erasmus Mundus, Mevlana Exchange Program). In accordance to the bilateral cooperation agreements, professors from leading European institutions annually come to lecture to ZSTU.

Today foreign students from Turkmenistan, Cameroon, Guinea, Tanzania and other countries study at Zhytomyr State Technological University.

Preparation of foreign students on both full-time and correspondence forms of training is carried out in all directions in order to obtain the level of bachelor, specialist and master's degree, followed by the right to enter the graduate school.

If a foreign citizen wants to come to Ukraine with educational purposes he/she has to obtain the official invitation. For this aim he/she has to prepare and give to the selected educational institution the following documents:

1. Application form;
2. Motivation letter;
3. The copy of a passport or any other identification document;
4. The copy of a document proving the previous education and showing the academic grades or an academic reference letter;
5. The copy of a document with the results of an independent testing (if available);
6. Written consent to the processing of personal data;
7. A copy of the certificate of completion of the pre-academic preparatory department (if available).

After analyzing the accordance of the received documents compliance admission committee of the institution conducts an interview with a foreign citizen (possible online). In the case of a positive assessment of the interview the institution issues an invitation on the official form of the Ministry of Education and Science of Ukraine. After this no exams or interviews are conducted.

If the level of language knowledge of the applicant is insufficient for further studies at the university, it is **offered to study at the pre-academic preparatory department of ZSTU for foreign citizens.**

After receiving the invitation a foreign citizen comes to study and to enroll in an educational institution he/she has to submit the following documents:

1. Application;
2. The original and the copy of the document that proves the previous education;
3. The original and the copy of the diploma supplement with the evaluation of various academic disciplines;
4. A copy of a birth certificate;
5. A medical certificate of health, certified by an official health authority of the country which the foreigner has arrived from and issued no later than two months before leaving to study in Ukraine;
6. A copy of the passport document of a foreigner or a document certifying a stateless person;
7. A valid medical insurance;
8. six photos of size 60 x 40 mm on matte photopaper;
9. A copy of the certificate of the foreign Ukrainians (if available).

Documents indicated in paragraphs 2-4 of this list must be translated into the Ukrainian language and this translation has to be notarized.

Documents must be certified in the country of their issuance in a manner that is officially used in this country for such a certificate and legalized by the relevant foreign diplomatic institutions of Ukraine.

Foreign citizens' admission to studying is carried out from July 10 to November 01, according to the results of the interview.
